Kathleen Barnett Einhorn has been named one of New Jersey's 2012 Best 50 Women in Business by NJBIZ, New Jersey's preeminent business news publication.

"Genova Burns & Giantomasi is pleased that NJBIZ has recognized what we have known for over a decade: that Kathleen Barnett Einhorn represents the highest caliber of excellence in the legal profession," said Angelo Genova, the firm's founding partner.

"Kathy is an exemplary role model not only to other attorneys at our firm, but to the many businessmen and women with whom she works on a daily basis and for whom she passionately advocates."

The Best 50 Women in Business awards program honors New Jersey's most dynamic women in business that have been making headlines in their field. To qualify, a nominee had to meet selection criteria that included living or working in New Jersey and holding significant authority for decision making in a for-profit company. An independent panel of judges selected the top 50 winners based on their dedication to business growth, professional and personal accomplishments, community involvement, and advocacy for women.
