Genova, Burns & Vernioia Relocated Headquarters to Newark

NEWARK, NJ (September 29, 2008) – Genova, Burns & Vernioia has relocated its headquarters, previously based in Livingston, to 494 Broad Street in Newark.

The new office is able to accommodate approximately 75 attorneys, more than doubling the previous site, in an effort to support the growing practices at the firm.

In addition, the new location is in close proximity to several forms of public transportation linking the firm to other urban locations including its New York office located at 115 Broadway overlooking Ground Zero.

“The move is in keeping with our overall strategy to position ourselves in locations where clients and employees can easily get to and from our offices,” said James Burns, the firm’s managing partner. “We also like the fact that we are playing a small part in the renaissance of the city of Newark and their economic revival and development.”

For information or questions regarding the firm’s move please contact Marketing Director Nancy Cohen at 973-535-4437.
